LEADER IN ME NEWS

We are often asked how parents can support the Leader in Me initiative. One way is to use the 7 Habits language at home. As the school year unfolds, the children are learning the language and meaning of the 7 Habits. By hearing the same language at home and at school, you send the children a strong message of what you believe is important and that we are all on the same team—the team that wants to help succeed. When parents and schools support one another, the sky is the limit! Below is a summary of each of the habits:

Habit 1: Be Proactive (You're in Charge)

Habit 2: Begin With the End in Mind (Have a Plan)

Habit 3: Put First Things First (Work First, Then Play)

Habit 4: Think Win-Win (Everyone Can Win)

Habit 5: Seek First to Understand, Then to Be Understood (Listen Before You Talk)

Habit 6: Synergize (Together Is Better)

Habit 7: Sharpen the Saw (Balance Feels Best)

If you would like to learn more about The 7 Habits - SAVE THE DATE - November 13th we will be presenting a 7 Habits Family Information Night. Info to be sent home soon.
