

Kindergarten Supply List

2020-2021

We are so excited about the upcoming school year and hope you are too! Back to school shopping is always a favorite activity when getting ready for school. We have put together a list of suggested items to start looking for so you are ready for the first day of school.

Needed:

- Full size backpack. (Large enough to hold an 8 x 12 folder, papers, snow pants, and boots! No wheels please.)
- Playdoh (each child needs a 4 pack of 16 oz. playdoh – this will be used during quiet time)
- Earbuds (each child needs a personal set of earbuds to be used at listening centers). For storage reasons, no over the head headphones please. Label with child's name. I find masking tape folded over the cord works well for name labeling.
- Water bottle labeled with child's name – water fountains will not be in use.
- Small bottle of Elmer's white glue (for art class).
- 8 color Crayola water color set (for art class).
- Crayola Classic Markers – regular tip (for art class).
- 2 – Standard size pencil boxes (approx. 8x5x2). One to be used for the personal Supply Kit described below.
- Your child's own Personal Supply Kit

To help decrease the spread of germs, we will not be sharing supplies. If possible, please assemble your child's own personal supply kit with the following items only: Standard size pencil box, 24 pack of crayons, 10 pack thin markers, blunt tip scissors, glue stick, 2 BIC pens.

LABEL EACH ITEM WITH YOUR CHILD'S NAME

Highly Suggested:

- Extra Large 2 gallon size Ziploc bags
- Personal coloring book
- Personal pouch Kleenex
- 5 oz Dixie/bathroom cups

Helpful Community Items:

We use the following items daily and will be used to replace your child's supply kit when they run out. If you see any on sale and would consider donating them to our classroom we would appreciate it!

- Mailing labels (30 to a sheet)
- Large Elmer's glue sticks
- Crayola Classic Colors Washable Markers (thin)
- Kleenex (large box and personal size)
- Baby wipes or Clorox wipes (for quick clean ups)
- Black Dry Erase markers (thin preferred)
- Napkins/silverware
- Colored pencils
- Black Pens
- Washable Stamp pads
- Ziploc bags – small, large, and XL
- Magnetic tape (peel and stick)
- AAA batteries
- Small sponges (to wipe off white boards)
- Coloring books
